“Love has no other message but its own. Every day we try to live out Jesus’ love in a very tangible way, in every one of our deeds. If we do any preaching, it is done with deeds, not with words. This is our witness to the Gospel.”

Reflection on the Gospel-“Using Isaiah’s words, John speaks in imperatives: prepare and make straight the way. But then the verbs shift to the passive voice, implying that the Coming One himself will fill in the valleys and level the mountains, straighten winding roads and smooth the rough ways. For Luke’s readers and for us, his coming does not eliminate these challenges along life’s path but fills us with saving joy, justice, forgiveness, and mercy as we open ourselves to the great things God has done and continues to do for us.”

Pro-Life Quote-“The Gospel of Life recognizes the full range of threats against human life, from poverty & malnutrition to murder & war. Particular emphasis, however, is placed on threats to life at its beginning & end—precisely when it is most in need of protection. In modern times, children in their mothers’ wombs & those approaching the end of their lives are certainly among the ‘least of these’ in our world’s estimation.” USCCB Secretariat of Pro-Life Activities respectlife.org/live-the-gospel-of-life
