

God our Father, we love and adore You. Although humanity abandoned you through Original Sin in the garden and countless personal sins, you have never abandoned us. We praise you for making us into your beloved sons and daughters. Grant us always to live as your children, seeking your will in all things.

Jesus, Son of God, in this Great Novena leading to the 2,000th anniversary of Your death, resurrection, and ascension into heaven, we trust in Your merciful, personal love. Help us to keep the Great Commission, making a gift of ourselves through great faith, great hope, and great love.

Come, Holy Spirit, renew the face of the earth. As we celebrate the 2,000th anniversary of your descent at Pentecost, give us the gift of communion in the Church, starting with our beloved Diocese of Lafayette, so the world may come to know Jesus, sent by the Father. Make each of us into true disciples of Christ, full of apostolic courage and holy zeal.

Most Holy Trinity and Divine Unity, as we approach the 2,000th anniversary of our salvation, grant through our works, prayers, penances, and studies that your grace may be poured out upon the world in renewed and ever-great abundance. Through Christ our Lord.

Amen.
