CRS Rice Bowls-In Akwangagwel, Uganda, the climate is very hot and dry. Farmers in this region depend heavily on the rainy season for a successful harvest. But lately-due to the changing climate-the rain has been coming later than it used to and is more inconsistent. Sometimes, when it does rain, it causes flooding and ruins the crops. Learn how Adolf and Florence have taken the matter into their own hands, implementing new farming techniques they learned from a Catholic Relief Services program to improve their farm and fight against hunger in their community. Visit crsricebowl.org to learn more. Pickup a Rice Bowl on table.

Reflection on the Gospel-God's luminous love not only
transforms; it transfigures, endures even beyond death, and is not
disproved by death, as today's gospel shows. The account offers a
glimpse of the fullness of God's transfiguring love as Jesus
continues to choose faithfulness to the diving mission, even though
it will lead to his death. By listening to and following Jesus, we
share in his transfiguration, a transformation that begins in this life
and will come to fullness for us in the life that awaits us beyond
our own death. -*Living Liturgy tm, Second Sunday of Lent 2024*

you must go back again to God to recover the piece
